

A vibrant space-themed illustration on a dark background. The central text "GOOD LUCK out there!" is written in a bold, orange, sans-serif font. The text is surrounded by various celestial elements: a large yellow star with a comet-like tail in the top left, a ringed planet in the top right, a green and blue striped planet in the middle right, and a large green and blue striped planet at the bottom center. Numerous smaller yellow stars, white starbursts, and constellations are scattered throughout the scene. The overall style is playful and colorful.
